## Summary of Major Differences Development Standards

Zoning District Developmental Standards	Broward County RD-10	Fort Lauderdale RC-15	Major Differences
<b>Minimum Lot Area</b>	3,300 sq. ft. per unit	5,000 sq. ft. for single family  5,000 sq. ft. for duplex  7,500 for townhouse group (2,000 sq. ft. per unit)	Broward County has a minimum lot size of 3,300 sq. ft. for all permitted residential uses. This requirement is 800 sq. ft. per unit larger than the City requirements for duplexes and townhouses.  The City has minimum standards of 5,000 sq. ft. for single-family and duplexes (2,500 sq. ft. per unit), and 7500 sq. ft. for townhouse (2,500 sq. ft. per unit) developments.
<b>Minimum Lot Width</b>	60 ft.	50 ft.	The County requires an additional 10 ft. in lot width
<b>Front (feet) Setback</b>	18 ft.	25 ft.	The City requires an additional 7 ft. for the front setback.
<b>Side (feet) Setback</b>	5 ft.	5 ft. for single-family and duplexes  Ten (10) ft. for townhouses  25 ft. when abutting a waterway	The City requires an additional 5 ft. for townhouses.  When the side setback abuts a waterway, the City requires a 25 ft. setback, where Broward County requires a 5 ft. setback.
<b>Rear (feet) Setback</b>	5 ft.	15 ft. for single-family and duplexes  20 ft. for townhouses  25 ft. when abutting a waterway	The City requires an additional 10 ft. for single-family and duplexes and an additional 15 ft. for townhouses.  When the rear setback abuts a waterway, the City requires a 25 ft. setback, where Broward County requires a 5 ft. setback
<b>Corner (feet) Setback</b>	10 ft.	25% the width of the lot but not greater than 25 ft. for single-family and duplexes  20 ft. for townhouses  25 ft. when abutting a waterway	For single-family or duplexes, the City will be 2.5 ft – 15 ft. greater depending on the lot width.  For townhouses, the City requires an additional 10 ft.  When the corner setback abuts a waterway, the City requires a 25 ft. setback, where Broward County requires a 10 ft. setback

## RD-10 Comparisons

<b>Minimum Floor Area (square feet)</b>	800 sq. ft.	750 sq. ft. for single-family 400 sq. ft. per unit for duplex 750 sq. ft. per unit for townhouses	Broward County requires larger homes.
<b>Maximum (feet) Height</b>	2 stories (10' per story)	35 ft.	Broward County allows 20 ft, not including a peak roof.  The City maximum height is 35 ft. measured to the peak of the roof, or in the case of a flat roof, to the ceiling of the top floor

## Summary of Major Differences

### Accessory Structure Development Standards

Accessory Structure Development Standards	Broward County	City of Fort Lauderdale	Major Differences
<b>Fences/Walls</b>	6 ft. in height, may be placed up to the property line	6 ½ ft. in height, must set back a minimum of 3 ft. from any property line abutting a street. Within 10 ft. of the waterway, an opaque fence shall not exceed 2 ½ ft. in height	Broward county has no setback requirements for fences.  The City allows an additional 6 inches in height, but requires setbacks from the street property line and from the waterway.
<b>Swimming Pools/Spas</b>	Shall setback 8 ft. from property line (requires a minimum of a 3' deck around swimming pool, and deck must setback 5' from the property line)	5 ft. setback from property line	Broward County requires pools to setback 3 ft. further from the property line.
<b>Screen Enclosures</b>	5 ft.	4 ft.	Broward County requires screen enclosures to set back 1 ft. further from the property line.
<b>Decks, Pavers and Patios</b>	5 ft. from rear and side property line.  15 ft. from front property line.	No setback required for at-grade decks	Broward County requires a setback.  The City has no such requirements for at grade decks. City requires above grade decks less than 2 ½ ft. in height to set back 5 ft from the property line.
<b>Sheds/Accessory Structures</b>	5 ft. setback, not abutting a street.  Accessory buildings shall be at least 10 ft. from other buildings.  Aggregate area of all accessory buildings shall not exceed 5% of the lot area.	5 ft. setback, not abutting a street.  One shed per development site.  Shed shall not exceed 100 SF in area in required yard.	Broward County also allows the shed(s) to have more square footage in required yard.  The City allows 1, smaller-sized shed
<b>Mechanical Equipment – Includes AC units, pool equipment, generators and similar equipment.</b>	Mechanical equipment may extend 3'-8" into the side or rear setback of the principal structure	Mechanical equipment must setback 5 ft. from the side and rear property line.  Cannot exceed 5 ft. in height or 40 SF in total combined area	Broward County allows mechanical equipment closer to the property line.  The City sets maximums for the height and area of the mechanical equipment, where Broward County has no such requirements.

## RD-10 Comparisons

<b>Tennis Courts</b>	5 ft. setback from rear and side property lines (same as deck requirements)	10 ft. setback from rear and side property lines. Screening is also required	Broward County requires a 5 ft. setback, and has no screening requirements  City requires a 10 ft. setback, together with screening requirements.
<b>Boat Houses</b>	Permitted with restrictions	Boathouses are not permitted.	The City does not permit boathouses.
<b>Boat Lifts</b>	May extend up to 33% the width of the waterway, or 25 ft. whichever is less	May extend up to 30% the width of the waterway, or 25 ft. whichever is less	Broward County allows to extend 3% further into the waterway
<b>Boats</b>	May extend up to 33% the width of the waterway.  There is no required setback from side property lines.	May extend up to 30% the width of the waterway, or 25 ft. whichever is less.  Boats must comply with side setbacks as stipulated in the zoning district.	Broward County allows to extend 3% further into the waterway.  The City requires the boat to setback from the side property line, where Broward County has no such requirements.
<b>Docks</b>	May not extend more than 5 ft. into the waterway.  Must setback a minimum of 10 ft. from the side property lines.	May not extend more than 5 ft. into the waterway.  There is no required setback for docks.	Broward County requires a setback of a minimum of 10 ft. from the side property lines.  The City has no required setback for docks.
<b>Commercial vehicles and equipment storage</b>	Commercial vehicles shall not exceed 5,000 pounds.  Must be parked or stored in a carport or garage, or in the side or rear yard if completely hidden from view.	Commercial vehicles must be parked or stored in a carport or garage, or in the side or rear yard if completely hidden from view.  If parked in the side or rear yard, must not extend beyond the front of the residence. Direct access to the street is also required.	Broward County sets a weight limit, where the City has no such limit.  If stored in the side or rear yard, the City stipulates that it must not extend beyond the front of the residence, and must have direct access to the street.
<b>RV and boat storage</b>	Parking or storage is limited to vehicle or boats owned by the occupants of the property or their guests.  Boats that are 12 ft. in length or greater must be on a licensed trailer.  Not more than 1 RV and 1 boat stored outside.	Must stored in a carport or garage, or in the side or rear yard if completely hidden from view.  If parked in the side or rear yard, must not extend beyond the front of the residence.
